Dear Mr. Rico:

I would like to thank you for your generous donation of \$250.00 to our rescue group in June 2011. It is greatly appreciated and much needed. We are a small group of volunteers who take foster cats into our homes and care for them until they are ready to be adopted into permanent homes.

We receive cats and kittens from other shelters and rescue them from terrible situations and from being abandoned in the harsh New England winters. We place no limits on medical care that is provided to our rescued cats and kittens. Last year we received a young cat who had been caught in a car engine and kept him at a veterinary clinic for an extended period of time until he was well enough to be adopted. He did lose an eye, but was healthy after over \$4,000 of veterinary services.

I will email you a picture of a hoarding situation that we assisted with during the spring of 2011 where there were dozens of cats and kittens in deplorable living conditions.

If you would like to see some of our success stories, you could go to our web site for videos and stories about some of the cats and kittens we have helped in the past. Most of our cats who are currently available for adoption can be found on petfinder if you type in "cat" and the zip code of "01778".

Again, I would like to thank you for your thoughtful grant in June 2011. Should you have any questions or concerns, do not hesitate to call me at home at 508.545.0125. I am the treasurer of the group and handle the financial aspects of the charity.

Sincerely,

Sally Gupta, Treasurer
