

Hi Michael,

Thank you so much for your generous donation to help the kitties! We are so grateful for your thoughtfulness during these hard economic times. We could not do our work without you, and thank you for giving the furry souls the peace and love they depend on us for!

I will be sending you pictures of the cats and kittens who have been rescued by your donation. I can't wait to share their stories with you! Thank you for making a big difference with your organization!
