Dear Mr. Brown:

We cannot thank you enough for the \$250.00 donation sent to us this past July. We used the money to pay for medical expenses for our homeless animals. Second Acts' recognition of our efforts gave us encouragement to keep working hard for the animals who have no one to care for them. Enclosed is a copy of an article appearing in our local paper, The Dickinson Press, about Second Acts' donation.

Enclosed also are pictures and the stories for Bogie and Shayla, 2 of the many animals we rescued this year.

We are celebrating our 10th year anniversary this month! It is only because of the support of people, like those in Second Acts, that we are able to continue helping the homeless animals.

Thank you for the work you do to help small rescue groups like Pet Project. Your generosity, caring and support mean more to us than you will ever know.

Sincerely,

Pet Project, Inc.
