Dear Michael,

Today, you made a difference in the life of one of our dogs! I want to thank you for your very generous donation of \$250.00 to Puppy Love / Love Cats Pet. We are a young and very, very small organization and are extremely grateful.

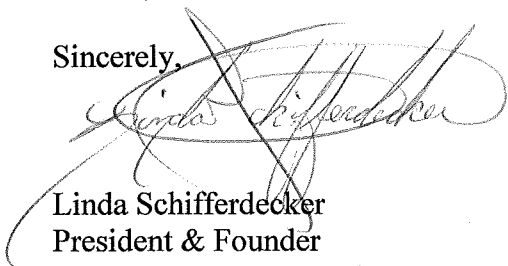

Nevaeh (Heaven spelled backwards & pictured at right) is a 6-year-old, American Pitbull Terrier that was sadly dumped after 4-1/2 years of living in a home because the new wife wanted kids and not "the dog". Nevaeh is a fabulous girl! Although she is not a fan of other dogs, she LOVES kids and is great with people. She walks very well on a leash, can heel, sit, down, and wait – all with a big smile on her sweet face!

Unfortunately, we discovered several stones in Nevaeh's bladder. They are still small, so we are trying to shrink them with a prescription diet that has a very low protein. We are hoping that she will pass them on her own instead of needing surgery. Through your generosity, we are able to help dogs like Nevaeh who has had 1 x-ray, 2 ultrasounds, and is on a prescription diet. She will have another ultrasound in 1 month to determine whether the diet is helping, if she has passed the stones, or if they have grown. Nevaeh is a precious girl and we love her very much!

Thank you again from the bottom of our hearts!

Sincerely,

Linda Schifferdecker
President & Founder

P.S. Nevaeh is a BIG KISSER, so she sends you a sloppy, "thank you" smooch! ☺
